Norms

- Stay Engaged
- Experience Discomfort
- Speak Your Truth
- Expect and accept non-closure
UWCSEA embodies everything the UWC Movement stands for: concern and compassion for others, the willingness to accept responsibility, and tenacity in pursuit of the truth.
Community visioning is a process that gives stakeholders the opportunity to express ideas about the future of their community.

Our goals are to begin to learn about our individual and collective experiences, envision what would the international school ecosystem look and feel without racism and discrimination, and to explore ways to end racism and discrimination.
Vocabulary

- Racism: The marginalization and/or oppression of Black, Indigenous, and People of Color based on a socially constructed racial hierarchy that privileges white people.

- Discrimination: The denial of justice, resources and fair treatment of individuals and groups (often based on social identity)

- Ecosystem: A system or group or community that interact with each other in a specific environment
Deepa Iyer, SolidarityIs and Building Movement Project
Task

- In your breakout:
  - Introduce yourselves and an anti-racist or anti-discrimination action you have been involved in recently.
  - Review responses to the February question does your community experience racism and discrimination? How? Add on Padlet (10 minutes)
  - How would the international school ecosystem look and feel without racism and discrimination? (15 minutes)
